Agenda i2a Conference call SIEF members, 17 September 2009

Meeting starts at 14H CET and finishes no later than 16H.

Point 1 => 3: from 14H till 15H max

Point 4=> 5: till 16H at latest

1. MEMBERSHIP

- a) Who is i2a? Who are the members?
- b) What do we do to help our members with their REACH obligations?
- c) What remains to be done for REACH by our members?
- d) Can an OR become member of i2a?
- e) Who are the lead registrants?

2. SCIENCE/REACH

- a) What data do we have available?
- b) How do we know this data will be accepted by ECHA?
- c) Are there still ongoing studies?
- d) Exposure questionnaires: what is included and what isn't?
- e) How will we handle harmonised classification and labelling?

3. FINANCIAL

- a) Difference between ECHA fees and i2a fees
- b) How is the i2a membership fee calculated?
- c) Will a company pay less if it waits for the last minute to get the necessary data for their REACH file?
- d) What's the benefit for a company in joining i2a now if it intends to register in 2013 or even 2018?
- e) Does i2a offer a Letter of Access?

4. TIME FOR QUESTIONS FROM THE PARTICIPANTS

5. SUMMARY OF MEETING
